

YONA BEACH CLUB — AFTERNOON EXPERIENCE

\$274 per person • Ages 20+

3:00 PM – 8:00 PM (approximately 5 hours)

A beach club that floats on the Andaman Sea.

YONA sits anchored on open water off the Phuket coast, reached by boat — a multi-level club with a 22-metre infinity pool running along its edge and ocean in every direction. It is one of the most photographed places in Phuket, and it earns it.

You arrive for the afternoon session, when the DJs are on and the club is at its best: a drink in your hand, the pool alongside you, and the light slowly turning gold over the water. It runs into the evening, and on the last full day of the trip it is exactly the right way to finish.

Includes:

- YONA Beach Club afternoon day-pass admission
- Welcome drink
- 2,000 THB food-and-beverage credit
- Access to YONA's 22-metre infinity pool
- Towel for the day
- Round-trip boat transfers and assistance
- Afternoon into evening, with sunset over the Andaman Sea

Good to know before you book:

- The afternoon session welcomes guests aged 20 and over. Please bring identification, as YONA may ask for it on arrival.
- YONA applies a smart-casual to elegant dress code, and it is checked at the gate. Full guidance will be in your pre-departure information so you can pack accordingly.
- YONA advises that the experience is best suited to guests under 70 and is not recommended during pregnancy.
- Day-pass seating is open seating across the club. Cabanas and daybeds can be arranged directly with YONA on the day, subject to availability.
- You can book both the Thai Cooking Experience and YONA on 11 June. The two are coordinated around each other, so you can enjoy both.
- Cancellation: standard trip cancellation policy applies.
